

Potter Halo

Potter Halo, medium and small

Flex option – Natural grey linen

White ceiling canopy, flex option – Mid grey linen

Handmade to the same size and shape specifications as the other fittings in the Potter Light family, the Potter Halo is thrown on a potter's wheel using a specially formulated, high-grade porcelain. Sourced from a producer in Australia, the porcelain used to make the Potter Halo is internationally regarded as one of the finest in the world. Its highly refined nature produces a semi-translucent surface that glows softly when illuminated from within.

The Potter Halo is left unglazed to encourage the luminosity of the clay body and to celebrate the visual softness of the porcelain surface. A linen covered flex completes the lighting fitting and is available in natural grey, pale grey or dark grey options.

Design	Bruce Rowe for Anchor
Year of Design	2016
Light type	Pendant
Material	Wheel thrown ceramic

Technical	Small - Approximate size	130mm Ø 145mm tall	
	Small - Approximate weight	1.5 KG	
	Medium - Approximate size	235mm Ø 165mm tall	
	Medium - Approximate weight	3.0 KG	
	Light source	E27 LED Globe max. 9W	Globe not supplied
	Lamp holder	Ceramic E27	
	Lumens / Colour temperature	Globe dependent	
	Primary voltage	240V AC	
	IP Rating	IP20	

Pendant	Flex - Supplied	1.5m drop in black or white	Additional length available
	Suspension cable - Supplied	1.5m Black SS cable	Additional length available
	Ceiling canopy - Supplied	Black or white	80mm Ø 35mm tall
